

portion of Senator Wesely's amendment.

PRESIDENT MOUL: The amendment is adopted. Senator...

CLERK: Madam President, if I may, just to assist Senator Wesely, there is one further division that deals with the Revisor's provisions and the effective dates and, with your permission, Senator, we'll treat that as a separate amendment, if that's agreeable with you.

PRESIDENT MOUL: Senator Wesely.

SENATOR WESELY: I guess it's just the technical stuff you need to implement what we just did so I would move its adoption.

PRESIDENT MOUL: Thank you, Senator Wesely. Does anyone wish to address this portion? Seeing none, we will now vote on the final portion of the Wesely amendment. All those in favor please vote aye, opposed nay. Have you all voted? Please record, Mr. Clerk.

CLERK: 26 ayes, 0 nays, Madam President, on adoption of the last portion of Senator Wesely's amendment.

PRESIDENT MOUL: The amendment is adopted.

CLERK: Senator Preister would move to amend the bill. (The Preister amendment, AM1669, is found on page 1942 of the Legislative Journal.)

PRESIDENT MOUL: Senator Preister.

SENATOR PREISTER: Thank you, Honorable President, friends all, I rise to introduce what I believe is a very short but a very important amendment, which is printed in the Journal on page 1942. I went to the Department of Health and worked this out with the radiological department people. They see that there is some need for having some public information allowed. Basically, that's what this amendment does is allow some of the information that they now have to be public, while at the same time remaining some confidentiality in some aspects of it. It's a short amendment. It does have their approval and I do have a letter here from the assistant agency counsel to that effect if anybody does have any questions. Basically, it allows for some public records to be released to public who do come in to
